ABOUT ME

I am an accomplished Software Engineer with five years of industry experience. I am driven by the pursuit of challenging opportunities where I can leverage my expertise to contribute to the success of both the organization and myself. With a passion for innovation and a dedication to excellence, I am eager to tackle new challenges and make meaningful contributions to projects that push boundaries and drive growth.

WORK EXPERIENCE

05/2024 – CURRENT Kabul, Afghanistan

SENIOR SOFTWARE ENGINEER RAMAKI GROUP OF COMPANIES

My responsibilities at the Ramaki Group of Companies are as follows:

1. Database Analysis and Design
2. Developing GraphQL APIs
3. Frontend design and development.
